Aviation Management

Key Facts

- | Degree: **Bachelor**
- | Duration: **6 semesters**
- | Language: **English**
- | Partner: **Lufthansa**

There are 41,000 airports in the world and if you want to start your career in this dynamic and international industry, this course is for you.

UITM is the only University in Poland and one of a few in Europe offering this unique programme in English. During the study, AM students will gain the practical skills and specialized knowledge of strategy, control, economics, finance, law and regulations in the aviation industry.

Thanks to our active agreements between UITM and many International Companies located in the Aviation Valley, you will have an opportunity to gain hands-on experience during internship at Pratt&Whitney, Lufthansa, BorgWarner, LOT Polish Airlines and many others. This could be a brilliant start to your career in this rapidly growing industry.

Prestigious Certificates ARCport and IATA of the commercial value of over 5000 Euro's. **Free for our best students!**

Example Subjects:

- | Aviation Law
- | Airport Commercial Management
- | Airline Sales and Profit Management
- | Aviation Marketing
- | Airline Decision Game – Simulation

General Aviation

Key Facts

- | Degree: **Bachelor**
- | Duration: **6 semesters**
- | Language: **English**
- | Partner: **Lufthansa**

Managing ground operations is extremely important to the aviation industry and the public.

If you dream about working in the most dynamically growing sector of aviation, this unique course is for you. The GA programme has been prepared to give you an opportunity to explore key aspects of the operational and financial side of aviation, from small aircraft business, glider flights, sky-diving planes to pilot training flights.

You will be taught by highly qualified lecturers with many years of experience from Germany, the USA, Australia, Canada, Ukraine and Poland.

Our graduates go on to work for renowned International Airports and companies:

- | Emirates
- | London Heathrow Airport
- | London City Airport
- | Pratt & Whitney
- | British Airways

Example subjects:

- | General Aviation Business
- | Airport Terminal Development in General Aviation
- | Maintenance, Repair and Overhaul in General Aviation

Our partners abroad

UITM has rapidly growing
and student friendly
Mobility Programmes
with Partner universities
around the world.

Erasmus+ is the EU programme
which allows students and academic
staff to gain international experience,
study, train or volunteer abroad.

During your study at UITM you can
choose any other European University
for a semester-study with the financial
support from Erasmus+ funds.

Double Degree – Opportunity for our
students to earn two diplomas, one
from UITM and one from a well-known
university in the United Kingdom.

China – Unique chance to continue your
studies in China. After completing one
year at UITM, international students can
choose one of our Partner universities.
