## “The Region of Podkarpackie”

Is a gateway to the European Union, a land of modern economy, with unpolluted natural environment, a wealth of culture, and many opportunities. Here, innovative technologies of aerospace, information technology and automotive industries come side by side with active leisure, mountain adventures, multiculturalism and creativity. An International airport, EU border crossings, East-West motorway, areas designated for investments and resources of well-educated young people are the reasons why global companies bring their business here.

And after work? Anything goes! From the buzzing atmosphere of urban cafes, pubs, restaurants, theatres, concerts, to recreational activities on the ground, on the water and in the air, amidst wildlife, Carpathian landscapes, and legends of the Bieszczady Mountains and Beskid Niski.

# Our partners abroad

UITM has rapidly growing  
and student friendly  
Mobility Programmes  
with Partner universities  
around the world.

**Erasmus+** is the EU programme  
which allows students and academic  
staff to gain international experience,  
study, train or volunteer abroad.

During your study at UITM you can  
choose any other European University  
for a semester-study with the financial  
support from Erasmus+ funds.

**Double Degree** – Opportunity for our  
students to earn two diplomas, one  
from UITM and one from a well-known  
university in the United Kingdom.

**China** – Unique chance to continue your  
studies in China. After completing one  
year at UITM, international students can  
choose one of our Partner universities.
