**“The Region of Podkarpackie”**

Is a gateway to the European Union, a land of modern economy, with unpolluted natural environment, a wealth of culture, and many opportunities. Here, innovative technologies of aerospace, information technology and automotive industries come side by side with active leisure, mountain adventures, multiculturalism and creativity. An International airport, EU border crossings, East-West motorway, areas designated for investments and resources of well-educated young people are the reasons why global companies bring their business here.

And after work? Anything goes! From the buzzing atmosphere of urban cafes, pubs, restaurants, theatres, concerts, to recreational activities on the ground, on the water and in the air, amidst wildlife, Carpathian landscapes, and legends of the Bieszczady Mountains and Beskid Niski.
