ABOUT THE PROGRAMME

The Foundation Year is a preparatory course for getting proficient in the English language, the course is designed for candidates planning to study further in English towards their bachelor or master's degrees at UITM.

FY has been developed specifically for international students to provide you with the skills and knowledge to succeed at your chosen degree. The programme includes 700h of English language lessons, study skills development and academic subjects. You will also experience what student life has to offer through our social and welcome programmes.

Candidates of the Foundation Year, upon completing the online application process and UITM receiving full payment for the course, you will receive an official Acceptance Letter from the University, confirming your student status. With this document you can apply for a D-type visa, which will allow you to stay in Poland and travel freely to other European Union Countries.

After successful completion of the programme, you will also receive the Foundation Year Certificate enabling you to study at your chosen Undergraduate or Postgraduate programme in English.
